

## Johnny Cake

1 teacupful sweet milk

1 teacupful buttermilk

1 teaspoonful salt

1 teaspoonful soda

1 tablespoonful melted butter

Enough corn meal to enable you to roll it into a sheet half an inch thick.

Spread upon a buttered tin, or a shallow pan, and bake forty minutes. As soon as it begins to brown, baste it with a rag tied to a stick and dipped in melted butter. Repeat this five or six times until it is brown and crisp. Break – not cut it up – and eat for luncheon or tea, accompanied by sweet or buttermilk.
